Meeting Jan 9th, VFW Post 401

### PRESIDENT

Greetings to all. I hope that you all had a very merry Christmas and a happy New Year. This is our first news letter in several years. Thanks to Rachet and C C. At our last meeting / Christmas party I told everyone that was there, " Thank you to those who voted for me and to those that didn't, I hope to change your mind." We are off to a great start in 2011. Rachet has some great rides planned. I hope to see all of you at our next meeting in January 2011.

### VICE PRESIDENT

Happy New Year, now that we have a new board in place we can begin working on another successful year. If you haven't renewed your Chapter One membership you need to do so before the end of this month. Remember you must also have a 2011 membership card for any of the following organizations: the Veterans of Foreign Wars, Disabled American Veterans, Fleet, or the American Legion. Our membership continued to grow last year and we already have several prospective members waiting to be approved by the board and membership. Keep up the good work.

### SECRETARY

A good year to all, our last meeting was our annual Christmas party. Our regular meeting was modified with only a few words from all the officers followed with our President ceremoniously handing out new metal name tags to the new officers. The Christmas party meal was Fantastic! Thanks to all who brought a dish in. Sista-G cooked the turkey and Loca the ham, can't say it enough, it was the best. The gift exchange/game supplied numerous surprises and laugh's. I look forward to being your Secretary for the next two years. See ya on the 9th at the VFW Post 401.

Wiley Willie

### ROAD CAPTAIN

Well here we go, a new year and a new set of officers. Our last ride for 2010 was a success; we had 17 riders on 11 bikes. The weather was not to hot and not too cold. All you 60 & 70 plus riders missed out. We left VFW Post 401 at 1300 and rode to the Harla Mae restaurant in Belen. If haven't eaten there it's well worth the ride, the food is great! We rode on the back roads going and coming back with only a short part of the ride on I 25. The final stop was at American Legion Post 13. Our next meeting is on the 9th at VFW Post 401, officers' meeting at 1300 and the general membership meeting at 1400. The next ride will be on the 23rd location will be announced at the meeting. The ride will be a scavenger hunt with the 1st through 3rd place winners receiving prizes. If the weather is bad we'll go in cages. In the past this type of ride was a big hit with everyone. So show up for the meeting for all the details and let's all have a good time, participate this is your organization

### TREASURER

Brothers and Sisters of Chapter One; Another year has drawn to a close and I would like to say we are growing in leaps and bounds. Thank you, all for being such a great group of individuals. The Christmas Party was a great time had by all. Great food, great gifts, and lots of laughs. As always the gift exchange was lots of fun! I'm proud to say that we contributed to our community in many ways and that's thanks to all of you. Donations were made to Wreath's Across America, Food to feed the needy sponsored by radio station Big I 107.9, Operation Military Kids, Gerald Barela, Angela Kohman and Sgt. John Sandoval and family for a total of \$500.00. More was donated by some individuals of our wonderful group, Rachet and CC gave another \$200.00 our of there own pocket to the radio station to help feed the needy of our community. Many donated back all or most of the winnings they received from the 50/50 drawings as well, that helps us to have money to give. So again, Thank You Legion Riders Chapter One.

Ride Safe and Gods Blessings,

Sista-G
